

Introduction

From the beginning of human history, people have looked toward Heaven seeking signs of God's presence, protection, and love. Sacred Scripture reveals that God, in His goodness and wisdom, created the angels as spiritual beings who serve Him continually and assist humanity in the work of salvation. Among them, the Archangels hold a special place as messengers of Divine mysteries and guardians accompanying people on the paths of earthly life.

This prayer book is an invitation to rediscover the beautiful tradition of devotion to the holy angels and archangels. It contains reflections on the Nine Choirs of Angels, meditations based on Sacred Scripture, prayers entrusted to the Church through centuries of Christian tradition, as well as supplications asking for protection, guidance, strength, and peace.

The prayers gathered here are meant not only to deepen knowledge about the heavenly spirits, but above all to help open the heart to God's presence and to strengthen trust in Divine Providence. The angels constantly direct humanity toward the Creator, reminding us that we are never alone in our struggles, fears, and daily responsibilities.

May this prayer book become a source of spiritual comfort, encouragement, and hope. May Saint Michael the Archangel defend us in spiritual battle, Saint Gabriel bring us the light of God's truth, Saint Raphael guide us safely through life's journey, and our Guardian Angels watch over us each day.

To God alone be glory forever. Amen.
